

CHEVAL
THE EDINBURGH GRAND

EVENTS AT CHEVAL THE EDINBURGH GRAND

Not only does Cheval The Edinburgh Grand offer guests luxury accommodation right in the heart of the city, it also presents three beautiful spaces, all of which have their own individual character and are perfect for private parties, events and special gatherings.

CHOOSE FROM:

THE GAMES ROOM is the perfect choice for a more upbeat gathering. The cleverly designed room can be tailored either for a sit-down meal, mingling with drink in hand, or for a more formal meeting.

THE PENTHOUSE, which boasts unrivalled views of the city, is an ideal location for a party that is set to impress. An expansive contemporary open plan kitchen diner and comfortable seating area make it the perfect place to gather whilst the immense glass backdrop and giant wrap-around outdoor terrace space takes hobnobbing to lofty heights.

THE DIRECTORS' SUITE is all about period features: original fireplaces, fold accent wood panelling and the contemporary detailing add to the gentrified and romantic atmosphere. The super-size table that grandly sits in the middle of the suite is the perfect platform to showcase foodie feasts.

From a drinks reception or a simple lunch through to a full-on feast, we can cater for a whole host of occasions.
