

Luxury Serviced Apartment Specialist Cheval Collection looks forward to welcoming back guests from the UAE, Qatar and Bahrain

November 2020 In light of the travel corridor announcement on 12 November, Cheval Collection is delighted that travellers from the UAE, Qatar and Bahrain will no longer need to quarantine on arrival into England. Luxury serviced apartment provider [Cheval Collection](#) remains open for business and looks forward to welcoming guests back from these destinations. Whilst England remains in lockdown until 2 December, Cheval Residences in London will remain open for those who reside at Cheval as their primary residence, key workers and those who cannot return home. Cheval has continued to operate throughout the global pandemic and has adapted procedures in line with government and health authority advice to maintain the highest level of cleanliness and hygiene, whilst offering the best service possible.

George Westwell, CEO Cheval Collection, says: *‘We are very much looking forward to welcoming back our guests from the UAE, Qatar and Bahrain. We have extensive hygiene and safety measures in place to ensure the continued safety of our guests and our staff, from temperature checks and hands free access to each building to installed Perspex screens at reception. Our team, as ever, are on hand to assist bespoke requests to ensure that our guests have the most comfortable stay, particularly in these new circumstances.’*

Cheval Collection’s Residences all offer fully equipped kitchens and any shared on site spaces and facilities where there could be risk of contamination, such as gyms, will be closed across the London Residences. Any guest who chooses to, very easily, self-isolate in one of Cheval Collection’s apartments can expect the full support of the residence and will be able to take advantage of a number of services including housekeeping on request (or a cleaning pack for those who wish to service their own apartment), coordination of any contactless deliveries chosen to be received and

virtual direct contact with the concierge teams using Cheval's App (available for both Apple and Android devices).

Cheval Collection includes eight serviced apartment residences across London and three serviced apartment residences in Edinburgh, offering a stylish, spacious and self-contained alternative to hotels. Cheval Residences offers more than just a home and makes life blissfully easy for guests. Cheval Collection continues to work with both staff and guests to ensure stays are safe, enjoyable and secure.
