The following rates do not qualify for earning Promotional D\$:

1. Third-party online retailer rates (e.g., Expedia.com, Booking.com, Hotels.com, Orbitz.com, Priceline, Travelocity.com)
2. Tour series rates, tour operator packages and charter rates
3. Room rates for airline staff and crew where rooms are pre-booked and paid for by the airline directly

Any Base D\$ earned on a member's stay will be subject to expiration based on standard tier-based expiration rules. This offer is subject to change or withdrawal without notice and is subject to availability.
2. Bookings and eligible stays made prior to registration will not be considered as a qualified eligible stay towards the Promotion, even if they are in the Promotional Stay period.
3. Bookings made prior to 1 April 2026 will also not be considered towards the Promotion.
4. This offer is subject to change or withdrawal without notice, cannot be transferred or exchanged for other forms of compensation, cannot be combined with any other offer or promotion unless explicitly stated, and is subject to availability. D\$ is not redeemable for cash.
5. Promotional D\$ can be earned on a maximum of two rooms per night.
6. Bookings must be made through the following channels: ghadiscovery.com, [GHA DISCOVERY app](#) or eligible direct brand channels.

GHA DISCOVERY membership, earnings, and redemption are subject to the [programme Terms & Conditions](#).
